As a valued customer, we are closely monitoring the ongoing and increased uncertainty that surrounds the Coronavirus (COVID-19) and have implemented enhanced measures to ensure the safety of our customers and employees.

Some of the key initiatives we have put in place include:

- Our standard cleaning routines are very thorough; however, during this time, we have enhanced our efforts in cleaning and disinfecting hard surfaces and frequently touched items.
- · Increased sanitization of our public rental spaces with recommended cleaning products.

We are communicating with our employees on a regular basis, providing updates on the virus and how AEZ is supporting a safe and healthy workplace. Among the workplace practices we are instituting are additional employee attentiveness and mandated frequent hand washing, as well instructing employees who feel ill to stay home and consult their healthcare providers.

## Reservation Flexibility:

- · If you have an existing reservation, we look forward to serving you and want to assure you that we are doing everything we can to ensure a safe and secure rental experience. If you need to modify a reservation, you can do so without incurring any change fees.
- · Cancellation/refund Information-
